Andrew Jason Eduardo  
Audrey Marie Atienza

**ASSISTANT REPRESENTATIVES**

Greetings!

In the coming month of **April**, the UP CSSC will be conducting **Envi Month**, a month-long celebration of the environment through a series of activities. One of events planned for Envi Month is the **Research Fair**. This year's theme is "Scientific Innovation for People and Communities," highlighting researches with the intent of serving society through science and technology. This is open to all undergraduate students along with the recent graduates of the previous semester of this school year, and serves to encourage more students to go into research. The guidelines for the Research Fair can be viewed here: [bit.ly/2mQfJm](http://bit.ly/2mQfJm).

**Institute of Chemistry**

Hannah Joyce Amancio

**REPRESENTATIVE**

Ma. Faye Ginger To  
Miguel Florendo

**ASSISTANT REPRESENTATIVES**

In line with this, we would like ask participation from your institutes by sending representatives to this research fair. It would also be greatly appreciated if you could pass the event details to the faculty of your institutes.

**Institute of Mathematics**

Lean Dominic Labalan

**REPRESENTATIVE**

Ann May Gonzaga  
Reniel Brian Refe

**ASSISTANT REPRESENTATIVES**

We are looking forward to your favorable response. Thank you very much!

In service of the students,

**National Institute of Geological Sciences**

Janica Mae Nablo

**REPRESENTATIVE**

Chance Isaac Carantes

**ASSISTANT REPRESENTATIVES**

**Jelaine Gan**

Councilor

**National Institute of Molecular**

**Biology and Biotechnology**

Joelle Noriko Galang

**REPRESENTATIVE**

Elcid Aaron Pangilinan  
Joseph Neos Cruz

**ASSISTANT REPRESENTATIVES**
